## Aloaha - the One Stop Shop.

Wrocklage Intermedia is a leading provider of e-business, security and commercial systems solutions. Following a steady growth in its software development department, Wrocklage Intermedia in 2004 launched its Aloaha software line of products:

- **Aloaha PDF Suite**
- **Aloaha SPAM Rejector**
- **Aloaha Fairy**

Today we encompass all aspects of IT development from consultancy, research and analysis to implementation and support.
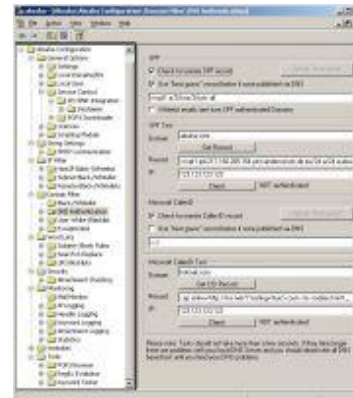

In pursuing our mission we seek to deliver

- complete customer satisfaction
- a stimulating environment to our staff
- high quality and innovative software

**Aloaha PDF Suite**
