# Aloaha PDF Suite - now with graphical digital signature.

Old Aloaha PDF Suites used to sign with a text stamp like it is shown below:

Signed at
11.06.2005 00:54:32 +0200 with
Aloaha Test's
digital certificate.
No further signature necessary.

Our new Aloaha PDF Suite build allows you to sign also with a graphical signature.
A graphical signature could also be your scanned handwritten Signature.
